By Yoshito Usui

# He's rude, he's crude, and adults tremble whenever he's around!

Get ready for an epic Shinchan adventure! Only Shinnosuke could open up a doorway to the past by digging a hole in the back yard! The Noharas find themselves back in **Japan's Civil War Era**, in the middle of a siege on a castle. (You didn't think they'd land someplace inconsequential, did you?) A guy by the name of **Stinkpoop** and his similarly monikered lackeys are out to kidnap a princess in exchange for a valuable, **ancient scroll**. It's up to Shin and his family to save the day! But will their actions in the past turn the present into a big **mess**?

SUMMARY: SHINNO SUKE WAS THRILLED WHEN MOM BOUGHT HIM UNDERPANTS FEATURING HIS FAVORITE CHARACTER, ACTION MASK Z, BUT HE COULDN'T WEAR THEM TO SCHOOL THE NEXT DAY BECAUSE HE HAD AN "ACCIDENT" IN THEM DURING THE NIGHT!!

# It's Always Fun in the Sunflower Class!

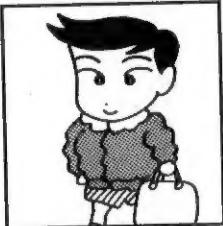

Life as a kindergarten student is an adventure when Shinchan is in your class! Let's meet some of his friends...and his teacher.

NENE SAKURADA

A good little girl who tries to be patient with Shin, but who's always fearful of trouble ahead. Shin's encounters with Nene's mom usually end with Mrs. Sakurada dropping her mild-mannered exterior, leaving Nene traumatized by her sudden change in character. ("You're not my real mommy!")

TORU KAZAMA

A legend in his own mind, Kazama considers himself to be wiser, worldlier, and certainly classier than anyone else. Naturally, he regards Shin as an uncouth menace to society and criticizes him frequently—which of course just goes right over Shin's head.

MASAO

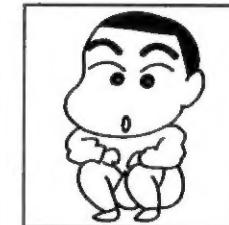

Poor Masao. He's a shy kid and a bit of a nervous wreck. Shin's influence doesn't really help him with his "issues." He always tries to draw Masao into activities that would make even stronger children cringe. Masao just cries. Destined to spend a lot of time in therapy.

MS. YOSHIMAGA

Dedicated Sunflower class teacher who has been cursed to have Shin as one of her students. Other than Mitzi, no one has to put up with more abuse from Shin. Her arch rival is Ms. Matsuzaka from the Rose Class.

# Meet the Noharas!

SHINNOBUKE NOHARA

(aka: Shin, Shin-chan, Shim chan, Shinchan)

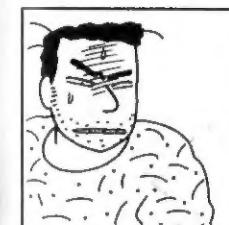

5 years old. Likes pretty girls, drawing on himself, rolling around on the floor, and eating a tasty snack called Chocobi. Frequently uses both words and his Mom's clothing in inappropriate ways. Also obsessed with bodily functions – his own and others'.

MITZI NOHARA

(aka: Misae)

Shin's easily frustrated mom. She's a stay-at-home housewife with the misfortune of being Shin's full-time caretaker. Mitzi hasn't done much better in the husband department either, as Shin's Dad's behavior has to be closely monitored too. Frequently fantasizes about a better life.

HIRO NOHARA

(aka: Hiroshi)

A browbeaten "salary man" who is the family's sole breadwinner. He's low on the totem pole at work and doesn't get much respect at home either. Like son, like father: Hiro has the eye for the pretty girls too, and Mitzi's none too tolerant of it. He talks a lot in his sleep, which doesn't help things much.

SHIRO

Stray dog that Shin found and brought home. Somehow, he managed to convince Mitzi that if she let him keep the dog, he'd take care of it. Want to guess how that's working out? But taking care of Shiro is always a convenient excuse when Mom wants some even more unpleasant chore to get done.

A DERANGED PSYCHIC TRIES TO DESTROY  
DETECTIVE TOYAMA'S MIND!

# Deka Kyoshi

Volume 3

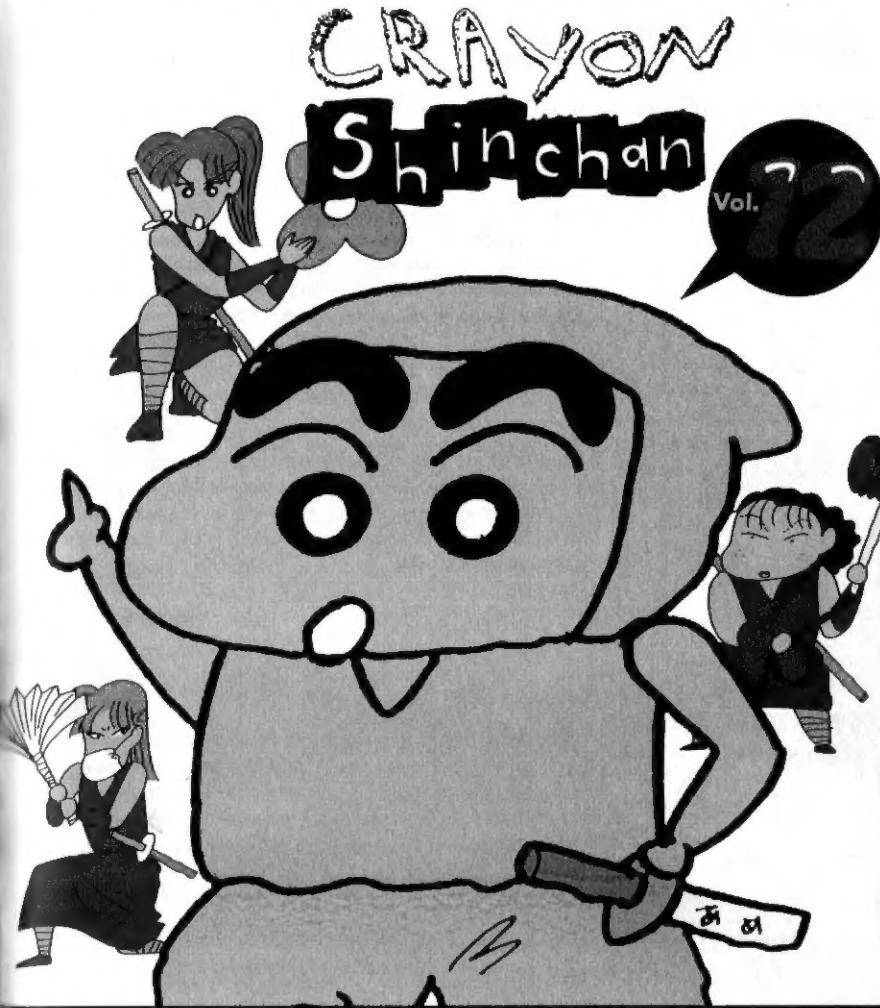

**By Tamio Baba.** In this final volume, a violent fugitive on the lam hides in the school and decides to take Toyama's class hostage. Toyama would naturally risk it all to save his 5th graders, but it might mean that he won't be there to protect them in the future when the next crisis hits – which is right around the corner. With the school about to shut down and a crime still unsolved, Toyama and Reiko put their heads together and raise the suspicion of someone far more dangerous than the fugitive – someone with supernatural abilities! **On sale June 2010.**

A TINY SHINCHAN IN FEUDAL JAPAN DRIVES HIS PARENTS UP THE PROVERBIAL PAGODA!

**By Yoshito Usui.** What's worse than a regular-sized Shinchan? How about a Tom Thumb-sized Shinnosuke? Princess Nene is on the lookout for a new retainer, and Dad thinks it'll be a great experience for Shin. Mom doesn't want to let her precious baby go until it's pointed out that the retainer will be showered with jewels and gold. Shin's sent down the river as an allegory for a storm in a teacup, post-haste, 'til he meets up with the feudal Kazuma, also on the way to try out as a retainer. It's a no-brainer who's qualified to bring the most laughs! **On sale August 2010.**

THE DEATH-MATCH BETWEEN MITSUOMI  
AND BUNSHICHI CONTINUES!

By Oh! great. In the end, only the grim reaper gets the upper hand in this final showdown between Mitsuomi and Bunshichi. It all comes down to who can remember how things were long before the two came to this point – and what reaction those memories will cause. Then Soichiro takes on Kabane and his little sister, a girl who brings a whole new meaning to the term "armed and dangerous." No one will hold back, especially them, when it seems that Soichiro has the advantage. Now they have the excuse they need to become the most nightmarish opponent Soichiro could ever have imagined! **On sale June 2010.**

WILL ONE OF HIS APPRENTICES  
GIVE FIREBUG AWAY?

**Story by Izo HASHIMOTO/Art by Tomoshige ICHIKAWA.** In the conclusion of "Trial By Fire," Nanase has a repressed memory about the night her house burned down that comes back to her in the form of a dream. When she wakes up she thinks she sees Firebug in her bedroom, but at second glance she is alone... though her window is mysteriously open. Then Nanase has another arson case to solve revolving around a dysfunctional family and its hefty inheritance. And finally, when a bank goes up in flames, it seems the perpetrator might be tied directly to Firebug. Will their connection reveal the master arsonist's identity? **On sale now.**
